**Grand Opening of Dahlia's Delights Café  
As Recession Delivers New Business to City of Lawrenceville**

**ATLANTA, GA - MAY 30, 2009.** Dahlia's Delights Café is a new internet cafe in the city of Lawrenceville, Gwinnett County, one of the fastest growing counties in America well-known for its successful owners of small-based businesses, entrepreneurship resources and popularity as the best of big-city living with the comforts of the suburbs.

In today's challenging economy, a recession sometimes brings out a deep passion for one to live out a dream that some of us would love to accomplish in our lifetimes. It seems, two moms with respectable careers out of Grayson, GA along with their respective families are about to see their dream come true with the grand opening of Dahlia's Delights Café on Saturday, May 30, 2009!

According to Dahlia's Delights Café CEO and Chef Dahlia Jeanty, "now is the time to harvest your talents and take a step of faith in starting your own business." Dahlia, who by trade is a registered-nurse attended St. John's University and her business partner Jocelyn Cuff, is a Stock Market Investment Consultant. "Miss Dahlia" and "Miss Jocelyn" (nicknames in their community due to their charming etiquette & professional nature) have been best of neighbors for 3 years, became good friends and now business partners! To date, they have catered to some notable clients such as Blue Cross Blue Shield of Georgia's HMC and celebrities such as Frank Ski of V-103FM in Atlanta. Dahlia handles the cooking and baking with over 20 years of experience with inspiration from her parents who were experts in Jamaican, American and Italian food. Jocelyn handles the other side of the business: office management and administration. "Our concept is to offer the city experience in the suburbs by way of a simple/warm environment with friendly service which includes: Wi-Fi/Internet access, TV entertainment and music with monthly events for special occasions such as live jazz, belly dancing, comedy or wine-tastings. Our special menu/dessert orders will range from American, Caribbean, French, Italian, Latin and Mediterranean cuisines using fresh organic produce available for special delivery to our customers."

At the grand opening, customers will be provided complimentary gourmet style cuisines from Dahlia's Delights Café, a moment to socialize with friends/family and special invited guests: Management/Members of Wine-Styles of Snellville & Members of Chambers of Commerce. All our guests will be entertained with a 'Jazzy Afternoon Grand Opening' featuring songstress, Lady Junn and sponsors include an art exhibit by Ethnic Expressions Art. The hours of operation will be Mondays thru Thursdays 9:30AM to 2:30PM and Fridays from 9:30AM to 9:00PM for Deliveries, Dine In or Take Out. If you're tired of the same food all the time; stop by to experience something new! Our menu changes weekly.
